Welcome Message

Dear Colleagues,

It gives me great pleasure to invite you to UAE's International Conference on Antimicrobial Resistance (ICAMR) 2018, which will be held in Le Meridien Dubai Hotel (Airport) & Conference Centre, United Arab Emirates 15th to 16th March 2018.

ICAMR 2018 promises you an enriching scientific and educational gathering, which will shed light on the latest advances in research and practice through presentations, workshops and interactive discussions with current, in-depth quality scientific contents in the field of Antimicrobial Resistance. The conference is organized by the National Committee of AMR in UAE.

We believe that the conference will provide an exceptional opportunity for everyone to share and acquire knowledge and experience on a wide spectrum of topics that are related to microbiology, infectious disease, infection control, and antimicrobial stewardship in addition to an opportunity to meet and rub shoulders with the experts in the field and innovative educators.

We look forward to welcoming you to ICAMR 2018.

Sincerely,

Dr. Najiba M Abdulrazzaq

Consultant Internist
Head of Medical Department
Al Baraha Hospital
Head of Infection Prevention and Control Central Committee, MOHAP
National AMR Committee Co-Chair

Organizing Committee

Dr. Najiba M Abdulrazzaq

Dr. Hala Ismail

Dr. Hashem Tariffi

Dr. Ashraf El Houfi

Ms. Khoulood Jamal

Dr. Layla Dabal

Learning Objectives

- What is done to control AMR
- How to initiate ASP in low and high resources
- How to effectively manage infection control and prevention
- Prevent MDROs as part of patient safety goals
- How to change behavior of antibiotic prescribing
- Why is national reference laboratory required?
- Learn the best practices in prevention of HAIs
- How to prevent and deal with needle stick injuries
- Know the guidelines for environmental cleaning and disinfection in healthcare setting
- Quality improvement in infection control
- International accreditation and IPC/ASP
- Tuberculosis updates
